

Dear Parents/Guardians,

Thank you for choosing Newburyport Pediatric Dentistry for your child's oral health needs! We appreciate your decision and we want to make your child's first visit to our office a positive and enjoyable experience. We look forward to working together and providing the best possible oral health care for your family.

We are able better to serve you if you bring the following items to the appointment:

- All necessary paperwork filled out and signed
- Your insurance card, or printed information from your insurance company
- A photo ID
- X-rays and Records from the patient's previous dental office

By arriving 15 minutes prior to the reserved appointment time with all of the above information, it will allow our office time to process your paperwork and have the full reserved time to diagnose and treat the patient completely.

Prior oral health history is essential in a first visit to a new office. Please contact the previous dental provider's office and have your child's dental x-rays and records sent to our office before your first visit. These records can be emailed to info@newburyportsmiles.com or hand carried to our office. We appreciate your effort in getting these to us as it gives the doctor a complete oral health picture and you can avoid additional charges for things you have already done.

Your initial visit is an important one. It is a time for us to get to know each other. Everything we do will be explained and shown as we teach your child how to keep their smile healthy. You can help make your child's visit a successful experience in a few ways. First, please feel at ease and relaxed, as any anxiety on your part will be transferred to your child. Second, we are very selective in our use of words. Please be supportive of our terminology and tell your child that we will count their teeth, show them how to brush, and possibly take a picture. It is important that you should avoid any mention of fear provoking terms such as hurt, drill, pull or needle.

Parents will be asked to accompany children under age 4 into the treatment area. If your child is over 4 and you wish to observe their visit, we ask that you stand at the back of the treatment room. To help ensure a positive visit, we must establish a direct relationship with your child, which means the doctor or hygienist, will be giving information and directions to your child. You can continue helping by acting as a "silent partner" during the visit.

Your aims as a parents and our goals as a pediatric dental team are the same; we want to keep your child's teeth and mouth in good health and make the process of doing so pleasant for all of us. We look forward to meeting you and your child.

Sincerely,

Dr. Lindi Ezekowitz and Staff

FINANCIAL POLICY

<u>Payment Due:</u> The full balance of treatment is due at the time services are rendered. Payment plans are not available from our office. For your convenience we accept cash, check, debit card, American Express, CareCredit®, Master Card, Visa, and Discover.

Financial Responsibility: The parent or guardian bringing the child to our office and authorizing treatment is legally responsible for payment of all charges. We cannot send statements to other persons.

<u>Statements</u>: If you have a balance on your account, we will send you a statement in the mail. It will show your previous balance, any new charges, and any payments or credits applied to your account.

Past Due Accounts: Unless prior arrangements have been approved in writing by our office, the balance on your statement is due and payable when the statement is issued, and is past due if not paid by the due date printed on the statement. A \$12.00 rebill fee may be charged on any account that is not paid within fifteen (15) days of the statement date. If necessary, accounts that are not paid within 60 days may be referred to a collection agency. All reasonable expenses incurred in the collection process will be the account holder's responsibility.

<u>Insurance</u>: We are happy to file dental claims for our families who have dental insurance. In general, we will file claims to any company that will pay us directly and does not restrict coverage to a list of participating providers. *Filing your insurance is not a guarantee of payment*. Please understand that the parent or guardian has the final responsibility for payment of any services rendered. Our doctors recommend treatment based on your child's needs, not on what insurance will pay. We will do everything possible to maximize your benefits.

- Your complete insurance information/card must be presented at the time services are provided and updated as necessary. Most benefits will be verified before your insurance company can be billed however; it is ultimately your responsibility to understand your insurance benefits.
- In the event that your insurance has not paid your account within 60 days, the balance may be transferred to your account. We reserve the right to discontinue or refuse to file a claim.
- We are a participating provider with the following companies: Altus Dental, Blue Cross Blue Shield of MA, Delta Dental Premier, and MassHealth.

<u>Required Payments</u>: At dental visits, we collect a percentage of the total cost of treatment, determined by an **ESTIMATION** of what your insurance will cover, plus any deductible required by your insurance. In the event of underpayment, we will send you a statement in the mail. In the event of overpayment on your part, you will be reimbursed by check in the mail at your request.

<u>Divorce/Separation</u>: The party responsible for the account prior to the divorce or separation remains responsible for the account. After the divorce or separation, the parent or guardian bringing the child and authorizing treatment will be the person responsible for those subsequent charges. If the divorce decree requires the other parent to pay all or part of the treatment costs, it is the authorizing parent's responsibility to collect from them. We will provide you additional copies of receipts if needed. We do not split bills.

Returned Checks: There is a \$25.00 fee for any checks returned by the bank.

<u>CareCredit®</u>: A convenient alternative to credit cards, cash or checks, CareCredit® is a health care card that is exclusively utilized for dental and medical services. They offer flexible payment options that fit your timetable and budget. For additional information, contact us or visit <u>www.carecredit.com</u>.

I have read the above policies and understand my obligations with Newburyport Pediatric Dentistry for my child's dental care. I affirm that my signature represents my agreement to all of the terms and conditions mentioned above.

CAREGIVER CONSENT FORM FOR TREATMENT OF A MINOR

It is the policy of Newburyport Pediatric Dentistry that all minors be accompanied by a parent or legal guardian for their dental visits. We understand, however, that there may be times when another caregiver may accompany them.

A parent or guardian MUST be present for your first visit with our office. After this initial appointment, a minor may be brought in by another caregiver. That person may be a babysitter, older sibling, or other family member and must be 18 years or older. If we do not have this consent on file, except in emergency situations, we reserve the right to reschedule your child's appointment. IF this caregiver has Power of Attorney and/or legal decision making for your child, please bring that documentation to your child's appointment so that we have it on file.

I, the undersigned, as the parent of legal guardian, herby authorize the below named caregiver(s) to be present for my child's dental visits.
